The Eclipse of Liberal Protestantism in the Netherlands - Tom-Eric Krijger 2019-09-16
In The Eclipse of Liberal Protestantism in the Netherlands, Tom-Eric Krijger offers a new interpretation of the development of the Protestant modernist movement in Dutch religious, social, cultural, and political life between 1870 and 1940.

Giovanni Boccaccio, Theseid of the Nuptials of Emilia—Giovanni Boccaccio 2002 The first epic poem written in Italian is the Teseida delle nozze di Emilia (Theseid of the Nuptials of Emilia) by Giovanni Boccaccio, the well-known author of the Decameron. Conceived and composed during the Florentine author's stay in Naples, it combines masterfully both epic and lyric themes in a genre that may be defined as an epic of love. Besides its intrinsic literary value, the poem reflects the author's youthful emotions and nostalgia for the happiest times of his life.

Religion in the Making—Arie L. Molendijk 1998 This volume deals with the emergence of a scientific discourse on religion in the nineteenth and early twentieth centuries in Europe and North America. This process is examined in a broad academic context, among different disciplines, in terms of socio-historical developments.

Striking Inside Angola with 32 Battalion—Marius Scheepers 2012 Join 'The Terrible Ones' on clandestine operations and in conventional warfare during the harsh bush war that raged through southern Angola in the 1980s. The conflict ended with the last major battle of the Cold War, one of the largest land battles of the latter part of the 20th century. This book presents an eyewitness account by a South African Defense Force (SADF) Signals Officer, Marius Scheepers, who served in arguably the most formidable battle unit that ever existed in the history of the South African Defense Force: 32 Battalion. It describes how members lived and fought in the bush during 1983 under the most difficult conditions. Being the Signals Officer of 32 Battalion, Scheepers was privy to all major command decisions of the time. Although he focuses primarily on operations during the year 1983, including Operations Snoek and Dolfyn, he includes concise descriptions of all other major operations that took place inside Angola between 1966 and 1988, including Operation Askari (1983/84) and the decisive battle at Cuito Cuanavale in 1987/88. Extensive appendices include 32 Battalion sitreps, radio-code cards, SADF radio equipment used by 32 Battalion and details on SADF, SAAF and SWAPO.

Outlines of the History of Religion to the Spread of the Universal Religions—Cornelis Petrus Tiele 1892

Fiction and Repetition—J. Hillis Miller 1985-10-15 In Fiction and Repetition, one of our
leading critics and literary theorists offers detailed interpretations of seven novels: Emily Brontë's Wuthering Heights, Thackeray's Henry Esmond, Hardy's Tess of the d'Urbervilles and The Well-Beloved, Conrad's Lord Jim, and Woolf's Mrs. Dalloway and Between the Acts. Miller explores the multifarious ways in which repetition generates meaning in these novels—repetition of images, metaphors, motifs; repetition on a larger scale of episodes, characters, plots; and repetition from one novel to another by the same or different authors. While repetition creates meanings, it also, Miller argues, prevents the identification of a single determinable meaning for any of the novels; rather, the patterns made by the various repetitive sequences offer alternative possibilities of meaning which are incompatible. He thus sees “undecidability” as an inherent feature of the novels discussed. His conclusions make a provocative contribution to current debates about narrative theory and about the principles of literary criticism generally. His book is not a work of theory as such, however, and he avoids the technical terminology dear to many theorists; his book is an attempt to interpret as best he can his chosen texts. Because of his rare critical gifts and his sensitivity to literary values and nuances, his readings send one back to the novels with a new appreciation of their riches and their complexities of form.

Assyriaca-Hermann Vollrat Hilprecht 1894

Frau Lou-Rudolph Binion 2015-03-08 The rich and fascinating life of Lou Andreas-Salomé (1861-1937) has been reconstructed by Professor Binion on a vast documentary basis, and his findings contradict all earlier versions of her life. Frau Lou was a woman of prodigious intellect, a woman of letters, and a powerful personality. She was closely linked with many of the great cultural figures of the time, often before they achieved recognition. This was the case with Nietzsche, Rilke, Freud, Ferdinand Tönnies, Gerhart Hauptmann, Arthur Schnitzler, and Martin Buber. Frau Lou not only relates but interprets Lou's life, and the point of the book is to discover how the works of the mind, whether scientific or imaginative, arise out of personal experience. Contents: I. Father and Father-God. II. God's Vicar, Gillot. III. After Gillot. IV. The Unholy Trinity. V. From Pillar to Post. VI. "A Pity Forever." VII. Lou Without Nietzsche. VIII. The Wayward Disciple. IX. Rites of Love. X. Super-Lou and Raincr. XI. Russia In, Raincr Out. XII. Idly Busy. XIII. At Freud's Elbow. XIV. A Personalized Freudianism. XV. Theorizing for Freud. XVI. Living for Freud. XVII. Aside from Freud. XVIII. Revamping the Past. XIX. "Homecoming." XX. A Retrospect. XXI. Beyond Frau Lou. Bibliography. Index. Originally published in 1968. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Possibly, it is the best he has written of all." Its protagonist is one of Malamud's finest characters; prize-winning biographer William Dubin, who learns from lives, or thinks he does: those he writes, those he shares, the life he lives. Now in his later middle age, he seeks his own secret self, and the obsession of biography is supplanted by the obsession of love: love for a woman half his age, who has sought an understanding of her life through his books. Dubin's Lives is a rich, subtle book, as well as a moving tale of love and marriage.

**Algemeen Nederduitsch En Friesch Dialecticon**-Johann Winkler 2019-02-22 This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

**Tourism and Archaeology**-Cameron Walker 2016-09-16 The global popularity and lucrative potential of tourism has made sustainability a major concern for archaeologists, site managers, politicians, local communities, tourism officials, and other stakeholders. This book establishes new, interdisciplinary ground for tourism and archaeology that will foster a new generation of sustainable thinking and practice. First, three teams of co-authors from both disciplines tackle key conceptual dilemmas: exploration vs. exploitation, education vs.
entertainment, and cultural sensitivity vs. embeddedness. Then, international case studies examine site development, marketing, community relations, and other on-the-ground examples of heritage work. The volume launches an important new era of collaboration in this growing field.

**The History of Babylonia and Assyria**-Hugo Winckler 2018-09-30 Babylonia was an ancient Akkadian-speaking state and cultural area based in central-southern Mesopotamia. A small Amorite-ruled state emerged in 1894 BC, which contained the minor administrative town of Babylon.

**Jackie Under My Skin**-Wayne Koestenbaum 2013-09-17 Jackie Under My Skin is a nuanced description of how Jacqueline Kennedy Onassis transformed our definitions of personal identity and style. As Wayne Koestenbaum follows her into America's dreamwork, far from pious "family values," he dares to see her as a pleasure principle, a figure of Circean extravagance, and liberates her from the propagandistic uses to which her image if often harnessed.

**Philida**-Andre Brink 2013-02-05 This is what it is to be a slave: that everything is decided for you from out there. You just got to listen and do as they tell you. You don’t say no. You don’t ask questions. You just do what they tell you. But far at the back of your head you think: Soon there must come a day when I can say for myself: This and that I shall do, this and that I shall not. In Philida, longlisted for the Man Booker Prize, André Brink—“one of South Africa's greatest novelists” (The Telegraph)—gives us his most powerful novel yet; the truly unforgettable story of a female slave, and her fierce determination to survive and to be free. It is 1832 in South Africa, the year before slavery is abolished and the slaves are emancipated. Philida is the mother of four children by Francois Brink, the son of her master. When Francois’s father orders him to marry a woman from a prominent Cape Town family, Francois reneges on his promise to give Philida her freedom, threatening instead to sell her to new owners in the harsh country up north. Here is the remarkable story—based on individuals connected to the author’s family—of a fiercely independent woman who will settle for nothing and for no one. Unwilling to accept the future that lies ahead of her, Philida continues to test the limits and lodges a complaint against the Brink family. Then she sets off on a journey—from the southernmost reaches of the Cape, across a great
wilderness, to the far north of the country—in order to reclaim her soul.

**Anti-theistic Theories**-Robert Flint 1899

**A History of Andres Serrano**-Andres Serrano 1997

**Dreaming of Cockaigne**-Herman Pleij 2003-07-02 Imagine a dreamland where roasted pigs wander about with knives in their backs to make carving easy, where grilled geese fly directly into one's mouth, where cooked fish jump out of the water and land at one's feet. The weather is always mild, the wine flows freely, sex is readily available, and all people enjoy eternal youth. Such is Cockaigne. Portrayed in legend, oral history, and art, this imaginary land became the most pervasive collective dream of medieval times—an earthly paradise that served to counter the suffering and frustration of daily existence and to allay anxieties about an increasingly elusive heavenly paradise. Illustrated with extraordinary artwork from the Middle Ages, Herman Pleij's Dreaming of Cockaigne is a spirited account of this lost paradise and the world that brought it to life. Pleij takes three important texts as his starting points for an inspired of the panorama of ideas, dreams, popular religion, and literary and artistic creation present in the late Middle Ages. What emerges is a well-defined picture of the era, furnished with a wealth of detail from all of Europe, as well as Asia and America. Pleij draws upon his thorough knowledge of medieval European literature, art, history, and folklore to describe the fantasies that fed the tales of Cockaigne and their connections to the central obsessions of medieval life.
