The Christ of the Miracle Stories - Wendy Cotter 2010-11-01 "Calling on her almost encyclopedic knowledge of conditions in the first-century Mediterranean world, Professor Cotter discusses the miracle stories reported in the Gospel of Mark in terms of the likely reaction of contemporary people upon seeing them or hearing of them. This enables her to portray the Jesus of these stories in terms of his divine authority and power and also as an example of how his followers are to treat those to whom they proclaim the gospel. The book is an excellent source for both historical information and theological reflection."--Paul J. Achtemeier, Union Presbyterian Seminary, Richmond, Virginia "In this engaging book, Professor Cotter presents the best explanation to date of why Jesus' followers narrated the stories of his mighty deeds as they did. She points us both to the unusually bold, even outrageous, speech of the petitioners and to Jesus' exemplary use of his power to inspire his followers to treat compassionately those who deserve rebuke and rejection."--S. Scott
Bartchy, UCLA "Wendy Cotter's penetrating analysis and her formidable knowledge of the Greco-Roman world are brought to bear on the encounters between Jesus and the forward, pushy, and insistent petitioners of the Gospel miracle stories. Yielding a stream of fresh insights, she shows that the miracle stories were not only attestations of Jesus' power, intended simply to amaze. Cotter shows that the miracle stories serve as anecdotes revealing the face of Jesus--his soul, his virtue--to those who long to know what he was like and to those who strive to be like him."--Graham H. Twelftree, Regent University School of Divinity "In this exciting new study, Wendy Cotter draws on a wide range of documentation from the Greco-Roman and Jewish historical contexts to explain the characteristics of the petitioners of Jesus across different categories of miracle stories. She likewise examines the virtues of Jesus as portrayed in the miracle stories. The result is an engaging new study in which readers will encounter, for instance, the boldness of a Bartimaeus or a leper together with a Jesus who demonstrates epieikia and a profound philanthrōpia. I highly recommend this book to a range of readers."--Elaine Wainwright, University of Auckland

**Miracle Man**-John Hendrix 2016-02-09 Miracle Man is a beautifully illustrated biography of Jesus Christ by award-winning author and illustrator John Hendrix. For all Christian denominations and perfect for families to share throughout the year, this book will be especially beloved by the faithful as a gift for Easter, communions, christenings, religious
graduations, and all other secular holidays. This book freshly reinterprets some of the oldest and best-known stories in human history and focuses on some of the many miracles that Jesus performed before his crucifixion. Jesus’s miracles are endless. From the large harvest of fish to washing the unclean, healing the sick, feeding the poor, and walking on water, Jesus performs feats that draw in believers that he is the Son of God. Unfortunately it also attracts the attention of nonbelievers, who saddle him with the cross he must bear. After all of his miraculous acts, the book closes with a final wonder for all to see—one that changes faith and religion as the world knows it, forever. The book includes a list of Bible stories that inspired it. Award-winning author and illustrator John Hendrix offers his most personal work to date. Known for his striking use of illustration mixed with custom fonts, his depiction of the life of Jesus Christ will be cherished by the faithful everywhere.

**Miracle Man**- John Hendrix 2016-01-01 "This picture book written and illustrated by John Hendrix focuses on the Biblical accounts of miracles performed by Jesus and concludes with the Crucifixion and the Resurrection. There is a detailed author's note and a list of Biblical passages."

**Christian Miracles**- James S. Bell 2005-02-01 Awe-inspiring and astonishing, this delightful
collection reminds readers that miracles didn't cease when Jesus and his apostles left this Earth. God promised to be with believers always, acting on their behalf—and "Christian Miracles" is a testament to the power and force of that promise.

**The Gospel According to Mark** - 1999-01-01 The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

**The Miracles of Jesus** - Vern S. Poythress 2015-11-17 Jesus walked on water. He healed a blind man. He turned water into wine. More than just displays of his divine power, Jesus’s miracles signify something deeper—they’re windows into God’s grand story of redemption, foreshadowing the great miracle of Christ’s death and resurrection. By explaining the meaning and significance of all 26 miracles recorded in the Gospel of Matthew, New Testament scholar Vern Poythress shows us their relevance for our lives today. Poythress unpacks how understanding the meaning of Christ’s miracles will help us better grasp the salvation God has brought into the world.
Amazing God Stories - Jordy Christo 2014-01-04

Amazing God Stories

This is a collection of miraculous God stories of answered prayers, prophecies being fulfilled, dreams coming to fruition and just outright amazing supernatural God interventions in the life of a Christian. These are not stories that one can say happened by coincidence. No, these God stories give glory to the supernatural power and love of God that works in our lives when we diligently seek Him. James 4:8 Come near to God and he will come near to you. These short inspirational God stories will fill you with faith and renew your hope in knowing that God is near. As you read, you will see with clarity how supernatural things can occur in an instant to set the course of God's will for our lives. These inspirational God stories testify that Jesus Christ is alive and the Holy Spirit is working mightily in the earth. As you read these God stories, you will be astonished at the amazing things that God has done in one person's life. This "God Stories" book is the first of a series that the author, Jordy Christo, will be releasing revealing amazing God stories he's been entrusted with. As you read these God stories you will: Realize that God can literally show up at your doorstep when you need Him most See how God can work through dreams in our everyday lives Understand that the Lord knows our every thought and need, and can deliver exactly what we need, when we need it. Comprehend that God has a plan and purpose for our lives and those can be revealed through prophetic words spoken from modern day prophets See scriptural connections with events that occur in these heartwarming stories See that there are mysterious things God does that we don't fully understand, but yet we know that God did them Here's a brief look
at what's in the "God Stories" book: Chapter one: An incredible God story of how a young man crawls to the altar because the Lord's presence is so thick and tangible. Chapter two: See how one answered prayer about playing a musical instrument explodes into thousands of people being touched by the Lord. Chapter three: See how a worldwide ministry was birthed thirty years after it was prophesied in a small church in Florida. Chapter four: This one is called "The Box of Tide-An Amazing Miracle." A miraculous story birthed in the midst of a very dark time. When you are finished with this Amazing God story you will know without a doubt that God knows your every thought and every need, and can provide exactly what you need, when you need it. You will be astonished at how the Lord orchestrated perfect timing for this event to happen miraculously. Chapter five: God uses a dream to give direction for a present day instance and then years later uses the dream again to bring comfort. Chapter six: This one is a mystery. A grandmother dies and a baby is born, you will agree that God was the one who caused the events to happen just the way they did. Chapter seven: A stranger shares a dream he had approximately 30 years prior that comes to pass. This is an amazing God story. God, Jesus and the Holy Spirit are not distant figurative characters that people conjure up in their imaginations. God is alive and with you right now. As you read these incredible God stories, you will be awestruck with amazement at the things God has done. You will hunger for amazing God stories to happen in your life too! In regard to miracles, we read in the bible that John said this: "Jesus did many other things as well. If every one of them were written down, I suppose that even the whole world would
not have room for the books that would be written." John 21:25 (NIV)) Jesus is still creating God stories every second. God wants to fill you with faith and hope, and with amazing, miraculous God stories.

The Miracles of Jesus - Craig Blomberg 1986 STORIES FROM THE BIBLE

The Miracle-stories of the Gospels - Alan Richardson 1941 Theology behind the miracle-story tradition - Modern approach to the problem of the miracles - Teaching of the miracle-stories - Interpretation of the scriptures - In the later gospel tradition - Historical and religious value of the miracle-stories.

Jesus the Miracle Worker - Graham H. Twelftree 1999-05-25 Graham Twelftree extensively examines the miracles of each Gospel narrative. He weighs their historical reliability and considers the question of miracles and the modern mind.

It's A God Thing - Don Jacobson 2014-01-14 Some things in life have no earthly explanation.
Miracles are not reserved for the characters in the Old and New Testaments; they happen to everyday people. Series creators Don Jacobson and K-LOVE Radio have joined together to produce one of the most remarkable collections of modern-day miracles ever compiled. From angel appearances in hospital rooms to a mother saved from a would-be assailant in Hyde Park, from a young autistic girl becoming a beautiful ballerina overnight to a young backpacker who walked away from a terrorist attack, It’s a God Thing presents some of the most amazing stories of God’s hand on our lives. Be motivated as never before to look for and witness the incredible ways that God is interacting in your life and the lives of those around you. “With their new book, It’s a God Thing, I believe K-LOVE and my friend Don Jacobson will call friends of Jesus everywhere to look for His capers around the world! Do you know why God involves Himself in our lives? Because God is love and love does!” —Bob Goff, author of the New York Times bestseller Love Does “Every day we all are faced with stress, situations we can’t control and often the fear that we really are all alone. . . . These stories give us courage in times of peril and strengthen us when we feel helpless.” —TobyMac, top Christian artist and Grammy Award winner “In It’s a God Thing true servants of God share how their lives were transformed when their understanding became the Father’s. What a blessing to be a child of the King!” —Missy Robertson, star of Duck Dynasty “There is so much going on around us that we never see. Life is all about perspective, and when that lines up with the hand of God, it is remarkable to witness. This book and collection of stories from my friends at K-LOVE will inspire and encourage you
greatly!” —Andy Andrews, New York Times best-selling author, The Noticer and The Traveler’s Gift “Sometimes I’m guilty of looking so hard for God that I miss Him right in front of me. May we all be reminded through It’s a God Thing that some of the simplest moments in life can quite possibly be some of God’s greatest miracles.”—Bart Millard, lead singer of MercyMe “Nothing astonished people in the New Testament more than watching Jesus perform a miracle right before their eyes—and nothing inspires us today more than hearing He did it again! My good friend Don Jacobson, publisher of The Prayer of Jabez, has once again launched the perfect message for today—don’t miss it!”—Bruce Wilkinson, author, The Prayer of Jabez “There is nothing better than hearing others talk about the ways that God has intervened in their lives. Miracles happen every day all around the world. These stories are incredible.”—Robert D. Smith, author, 20,000 Days and Counting “God doesn’t need for us to be aware of the miracles He’s performing, but they’re happening every day! It’s a God Thing, a new book from K-LOVE, is a powerful vehicle to tell the story of a number of those miracles.”—Brandon Heath, 2008 New Artist of the Year Dove Award winner

A Bucket Full of Miracles Jeff Wedge 2004 The stories of Jesus' miracles are challenging to modern sensibilities -- with today's scientific and technological knowledge, we have become somewhat jaded, finding it difficult to be really amazed by anything we encounter.
And the miracle stories are so familiar that we rarely mustering any sense of wonder about them, especially if we look for logical explanations. But Jeff Wedge maintains that in order to understand the miracles of the Bible, we must recapture this sense of wonder, for underlying them is the joy, excitement, and mystery of the world in which we live. Packed with valuable idea starters and rich material for sermon development, A Bucket Full Of Miracles provides a detailed exploration of the nine miracle stories in Cycle A. Each chapter includes the biblical text along with an examination of the words, the people, and the action of the lesson, as well as several illustrations and possible preaching approaches. But this book is much more than just a sermon preparation resource -- it's also stimulating reading for anyone who wants greater insight into these marvelous stories of God's power at work.

The Jefferson Bible - Thomas Jefferson 2014-01-05

The Jefferson Bible, or The Life and Morals of Jesus of Nazareth as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting numerous sections from various Bibles as extractions of the doctrine of Jesus. Jefferson's composition excluded sections of the New Testament containing supernatural aspects as well as perceived misinterpretations he believed had been added by the Four Evangelists. In 1895, the Smithsonian Institution under the leadership of librarian Cyrus Adler purchased the original Jefferson Bible from Jefferson's great-granddaughter Carolina Randolph for $400. A

**Testimony** - A C Ross 2012-12-27 Have you ever wondered if miracles really exist? Have you ever questioned whether so-called "blessings" were merely coincidences, or perhaps misremembered facts? Have you heard of prayer, but wondered, what's the point? Your logical mind wonders how prayer - the simple act of talking to God, that is, if He truly exists - can help you find a job, a partner, heal your broken marriage, protect your child, help you pay your bills, heal you from disease or a doctor's dismal report? Sure, you've heard bible stories of Jesus healing the blind and raising the dead, of people's faith causing them to walk on water, or turn sticks into snakes, but were they true? Is it true today? And if so, where is it happening? You want some proof. Well, here it is. In this book are 10 stories of supernatural occurrences that illustrate how God still blesses and performs miracles today. Every day. Prayer changes things. And as you will see, it also brings about blessings and miracles. Be blessed as you read these wonderful stories of God's goodness, His grace, mercy, and favor. God is still in the blessing business. Just turn the pages to see what He's (still) up to...
The Miracle Maker - Ralph Fiennes 2007-05-01
The Miracle Maker
The greatest story ever told comes to life in spectacular clay-animation. Featuring the voices of an all-star cast, Christ's ageless tale unfolds around the story of a family seeking help for an ailing daughter. When they cross paths with an extraordinary carpenter named Jesus, the family's faith is put to the test as the father is torn between allegiance to the king and the desperate need for the miraculous powers of God.

Jesus of Nazareth
Beginning before the Nativity, and extending through the Crucifixion and Resurrection, Jesus of Nazareth brings to life all the majesty and sweeping drama of the life of Jesus as told in the Gospels. The film provides the setting and background for the birth, childhood, baptism, teaching, and many miracles of the Messiah, culminating in the Resurrection.

The Miracles of Jesus - Eric D. Huntsman 2014-09-08

The Miracle-stories of the Gospels - Alan Richardson 2012-06-01
This is one of the most important books produced in this century by an English scholar. Dr Richardson's book is short, but almost every other sentence requires to be underlined. It is sifted knowledge, succinctly expressed, and though closely packed, it is always lucid' (The Guardian). 'Dr Richardson has rendered an important service to the Christian Church by offering us this
remarkably fresh, stimulating, and competent survey ... In addition to the working out of its main thesis, Dr Richardson's book contains full and valuable notes on many of the critical problems which have been hotly debated by New Testament scholarship' (Times Literary Supplement). Alan Richardson is now Dean of York and author of a number of distinguished works, among which are: Christian Apologetics, Creeds in the Making, An Introduction to the Theology of the New Testament, The Political Christ, Preface to Bible Study and Religion in Contemporary Debate. He is also the Editor of A Theological Word Book of the Bible and A Dictionary of Christian Theology.

The Gospel According to John- 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.
The Gospel According to Matthew- 1999 The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English literature and is universally acknowledged as the greatest influence on English-language literature in history. Jesus and Magic-Richard A. Horsley 2014-10-27 It has become standard in modern interpretation to say that Jesus performed miracles, and even mainline scholarly interpreters classify Jesus's healings and exorcisms as miracles. Some highly regarded scholars have argued, more provocatively, that the healings and exorcisms were magic, and that Jesus was a magician. As Richard Horsley points out, if we make a critical comparison between modern interpretation of Jesus's healing and exorcism, on the one hand, and the Gospel stories and other ancient texts, on the other hand, it becomes clear that the miracle and magic are modern concepts, products of Enlightenment thinking. Jesus and Magic asserts that Gospel stories do not have the concepts of miracle and magic. What scholars constructed as magic turns out to have been ritual practices such as songs (incantations),
medicines (potions), and appeals to higher powers for protection. Horsley offers a critical reading of the healing and exorcism episodes in the Gospel stories. This reading reveals a dynamic relationship between Jesus the healer, the trust of those coming for healing, and their support networks in local communities. Horsley's reading of the Gospel stories gives little or no indication of divine intervention. Rather, the healing and exorcism stories portray healings and exorcisms.

The Miracles of Jesus - David Otto 2000 "The Miracles of Jesus" helps readers experience the miracles as part of the redemptive work of Jesus and to understand these miracles as a testimony to Jesus' identity, as depicted in the Gospels. Included are: Jesus as a miracle-working figure; miracles, or signs, in the Gospel of John; miracles as signs of the early church; miracles of healing and touch, and more.

The Miracles of Jesus - Michael Symmons Roberts 2005 Recounts the miracles of Jesus on first-century believers in order to explain the hidden meanings within those acts and how they are still significant today.
The Case for Miracles - Lee Strobel 2018-03-27 New York Times bestselling author Lee Strobel trains his investigative sights on the hot-button issue of whether it’s credible to believe God intervenes supernaturally in people’s lives today. This provocative book starts with an unlikely interview in which America’s foremost skeptic builds a seemingly persuasive case against the miraculous. But then Strobel travels the country to quiz scholars to see whether they can offer solid answers to atheist objections. Along the way, he encounters astounding accounts of healings and other phenomena that simply cannot be explained away by naturalistic causes. The book features the results of exclusive new scientific polling that shows miracle accounts are much more common than people think. What’s more, Strobel delves into the most controversial question of all: what about miracles that don’t happen? If God can intervene in the world, why doesn’t he do it more often to relieve suffering? Many American Christians are embarrassed by the supernatural, not wanting to look odd or extreme to their neighbors. Yet, The Case for Miracles shows not only that the miraculous is possible, but that God still does intervene in our world in awe-inspiring ways. Here’s a unique book that examines all sides of this issue and comes away with a passionate defense for God’s divine action in lives today.

The Good Man Jesus and the Scoundrel Christ - Philip Pullman 2010-04-21 A thought-provoking retelling of the Gospel story from an atheist perspective. Upon its hardcover
publication, renowned author Philip Pullman’s The Good Man Jesus and the Scoundrel Christ provoked heated debates and stirred a frenzy of controversy throughout the clerical and literary worlds alike with its bold retelling of the life of Jesus Christ. In this remarkable piece of fiction, famously atheistic author Philip Pullman challenges the events of the Gospels and puts forward his own compelling and plausible version of the life of Jesus. Written with unstinting authority, The Good Man Jesus and the Scoundrel Christ is a pithy, erudite, subtle, and powerful book by a beloved author, a text to be read and reread, studied and unpacked, much like the Good Book itself. “The erudite fantasy author, Philip Pullman, makes explicit his complaint against Christian dogma with [this] challenging deconstruction of the Gospels.” —Entertainment Weekly “Inspiring . . . Again and again, [Pullman] displays a marvelous sense of the elemental power of Jesus’s instructions and parables.” —The Washington Post

**Miracles of Jesus**-van der Loos 1968-06-01

**The Book of Miracles**-Kenneth L. Woodward 2001-07-10 A collection of stories about miracle workers explores scriptural contexts of each religious tradition and discusses traditions relating to the Sufi mystics, Hindu and Buddhist saints, Christian hermits,
Talmudic wonder-workers, and Muslim ascetics.

**Changed Lives**-Jody Eldred 2004 Mel Gibson's film The Passion of the Christ and its powerful portrayal of Jesus' sacrifice are profoundly changing lives. This book captures some of the thousands of incredible stories recounted by the people who experienced them— in their own words.

**The Meaning in the Miracles**-Jeffrey John 2004 Explanations of Jesus' miracles often get stuck in their supernatural elements, speculating whether such things could possibly have occurred. Jeffrey John argues that this is to mistake the shell for the kernel. The Gospel writers recorded the many miracles of Jesus not to provoke open-mouthed amazement but, rather, to prompt readers to seek the deeper meaning inside each of these spectacular events. A best-seller in England and now available for the first time in the United States, "The Meaning in the Miracles" is praised as a must-have guide to Jesus' miracles. John walks readers through each miracle story, providing the biblical text then offering insightful commentary that first connects the event with other biblical themes and then makes clear its meaning for today. Each discussion ends with a selection of relevant scripture passages, quotes from literature, and other material meant to aid in further personal reflection and
prayer. As John shows, the stories of Jesus’s miraculous works are loaded with prophetic and theological significance meant primarily to foster personal faith. By reflecting on the depths and dimensions of meaning the Gospel writers intended to convey, readers encounter afresh the One whose works of power were always a means of announcing the good news of his transforming love -- then and now. A delight: considerable scholarship with a light touch. . . . Highly recommended. -- "The Reader"

**Loyalty and Disloyalty**-Dag Heward-Mills 2006 Though a primary requirement of God for leaders, very little has been written on this subject. In this book, Dag Heward-Mills outlines very important principles with the intention of increasing the stability of churches. So relevant and practical is the content of this book that it has become an indispensable tool for many church leaders.

**God's Miracle Stories for Kiddos**-Mary Frances Hedrick Garrett 2019-01-23 This book is designed to show how God used miracles in the Bible to tell His stories. We are reminded of his truths and how God used people, animals, weather, or whatever was close at hand to accomplish His purposes. These stories show God's love for His children. Children, kiddos, and adults will read and understand the stories and His love for us. God has a purpose and
plan for each life. These stories are attention-getting in their style and delivery. Adults will also enjoy reading the stories (which are factual and based on the Bible) to the children and for themselves. The miracles God performs are clearly written and stated. God's plan for our salvation is emphasized and brought to life. Above all, it is the author's desire that the clever way the book is written and illustrated will provide entertainment, humor and reveal God's truths to all who read and enjoy this book.

**Miracles**-Craig S. Keener 2011-11-01 Most modern prejudice against biblical miracle reports depends on David Hume's argument that uniform human experience precluded miracles. Yet current research shows that human experience is far from uniform. In fact, hundreds of millions of people today claim to have experienced miracles. New Testament scholar Craig Keener argues that it is time to rethink Hume's argument in light of the contemporary evidence available to us. This wide-ranging and meticulously researched two-volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts. Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic, Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts, lending credence to the biblical miracle reports.
Spiritual Messages of the Miracle Stories - George Henry Hubbard 1922

From Jesus to Christ - Paula Fredriksen 2008-10-01

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement

In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion

"This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion

"Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D’Evelyn, Christian Science Monitor

A Course in Miracles - Foundation for Inner Peace 1996

Offers ecumenical meditations on
love, perception, forgiveness, eternal life, and theoretical concepts in theology

**God of Miracles**- Jeff Barnhardt 2017-12-15 This book is filled with incredible true stories of modern day miracles coupled with powerful insights and life-changing prayers. You will journey with ordinary people who the Holy Spirit uses in extraordinary ways. It will strengthen your faith and provoke you to reach higher for miracles in your own life.

**Get Ready for a Miracle**- 2017-08-09 Does your faith need a boost? Do you think that miracles only happened in Bible times? Think again! These remarkable accounts are drawn from the experiences of ministry leaders and workers. They prove that when we step out in faith, God displays His power in undeniable ways. You’ll read of a dying man whose health was dramatically restored. A $50,000 check arrived just at the right time. A rainstorm saved a girl from danger. Learn from literature evangelists, school principals, missionaries, among others. They witnessed God’s unquestionable protection and provision. These devotionals will inspire you that God can turn a bad situation into a blessing. If you want to see miracles performed, prayers answered, and lives transformed, just go on a mission for God. Perhaps even in your own backyard.
The Missiological Motifs of the Miracles of Jesus Christ-Bandari Prabhakar Rao 2010

Contextualizing Miracles in the Christian West, 1100-1500-Matthew M. Mesley 2014-12-01 This volume brings together innovative research on miracles in the Christian West 1100-1500, and includes chapters on Anglo-Norman saints’ cults, late medieval Portugal and the legacy of medieval hagiography in the immediate Post-Reformation period. Contributors investigate miracle narratives in conjunction with broader socio-cultural ideals, practices and developments in medieval society. They also reassess the legacy of Peter Brown, challenge established dichotomies such as ‘medicine and religion’, and examine relics, lay beliefs and the liturgical evidence of a saint’s cult, moving beyond the traditional focus on canonization. Medical history features prominently alongside other approaches; these clarify the contexts of our sources, and demonstrate the methodological vibrancy in this field.

Find Your Miracle-Kerry Shook 2016-10-04 Discover the miracle you’ve been looking for through an exploration of nine miracles of Jesus, each filled with meaning, insight, and discovery for all who desperately need a miracle of their own. Healing the blind. Walking on water. Calming the storm. Feeding thousands with a few loaves and fish. Every miracle
Jesus performed was for a purpose. There was provision for that specific moment in time. But what if each miracle was also embedded with the promise of future provision...for you? In Find Your Miracle, New York Times best-selling authors Kerry and Chris Shook take a fresh look at nine of Jesus’s most incredible times of healing and supernatural intervention. The Shooks unpack these moments in modern language to usher you into the pain, desperation, breakthrough, and miracle of each encounter. Plus they reveal a “miracle map” that connects that moment long ago to our needs today for revelation, transformation, and restoration. Weaving together the biblical narrative with contemporary real-life application, Kerry and Chris Shook arrange these New Testament miracles under four overarching descriptions of Jesus the Miracle Worker: the Healer, the Provider, the Storm Chaser, and the Life Giver. Rather than running from our overwhelming situations, the Shooks encourage us to remain steady, fully trusting that Jesus stands ready to guide us to the miracle we most need, and possibly least expect.

**Miracles and the Kingdom of God**-Myrick C. Shinall 2018 Shinall contends that Mark and Q represent Jesus's miracles differently in relation to his proclamation of the kingdom of God. He compares three cases of Mark-Q overlaps that feature miracles: the Beelzebul controversy, the commissioning of the disciples, and the testing or "temptation" narratives.
